IMPORTANT To Lovers of

. Good Clothes! We are pleased to announce that we shall hereafter carry the well known WOOLTEX Coats, Suits and Skirts.

A careful examination has convinced us that these garments are so superior in style, tailoring and materials that our stock would not be complete without them.

We invite you to inspect them and to try them on.

Wooltex styles are all approved by Mme. Savarie, the famous fashion expert of Paris, who has charge of the Wooltex Fashion Bureau.

The WOOLTEX FALL STYLES will be on display next week.

THIS Week-the Balance of Our NEW FALL SUITS

bought before seeing the Wooltex garments at liberal reductions. Only a few. Blue and black; also gray; diagonals and mixtures.

OFFICERS ARE SORE OVER CRITICISM OF INFANTRY

Reflections Upon Marching Ability of Foot Soldiers Not Regarded

The infantry officers in many cases do not take kindly to the severe criticism foot soldier. Some of them feel that the comparison between European troops any and our own was decidedly unfair in several important respects. It is true. many cases these tests were more or less spectacular, and the marching was done by specially trained and selected troops. The general army average would be far

below these performances. Equal of Foreign Armies.

American infantrymen have, in

of need, they assert, fully equaled any

and Nellie M. Nugent of Petersburg, European performance in marching, and they can do it again, but, of course, more famous "flexion" marching step of the continental armies. body, and being driven backward with a partially flexed knee and ankle joint, the motion being very rapid. It is undoubtedly a quick marching step, and som

of the specially trained European troop have covered upward of thirty-five mile a day by its use. But it is declared by the United States infantry officers that thorough trial has shown that it is un suitable for military use, and already most of the European armies have abar
